## Executive summary

The following document contains a proof in which each one of the workgroup members demonstrate their capability of contributing to the Design and Testing project after following the provided guidelines. Such a demonstration is provided by means of meaningful graphical content (e.g., pictures of the Eclipse IDE and the Acme Toolkits project running)

## Revision table

Revision number	Date	Description
v1	22/02/22	Initial version
v1.1	28/02/22	Revision before delivery

## Introduction

The following document contains a proof in which each one of the workgroup members demonstrate their capability of contributing to the Design and Testing project. Such a demonstration is provided by means of meaningful graphical content.

## Contents

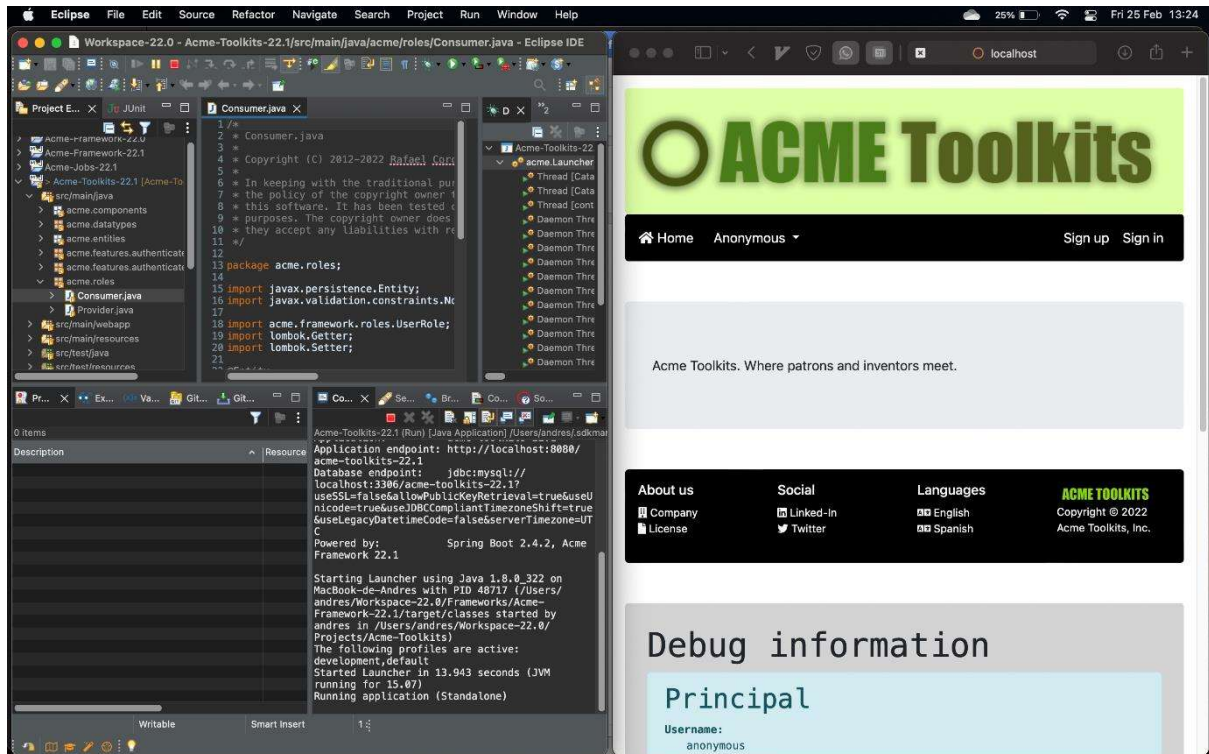

Figure 1. Andrés Durán Terrero's environment

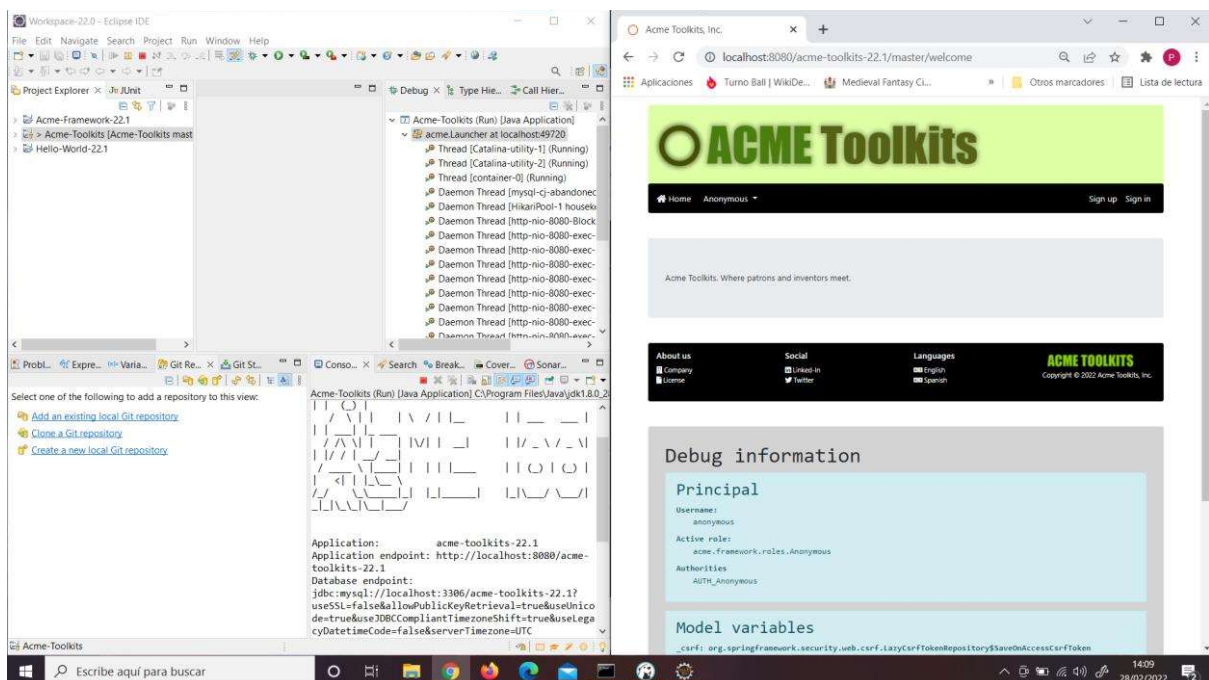

Figure 22. Pablo Jose Robledo Campa's environment

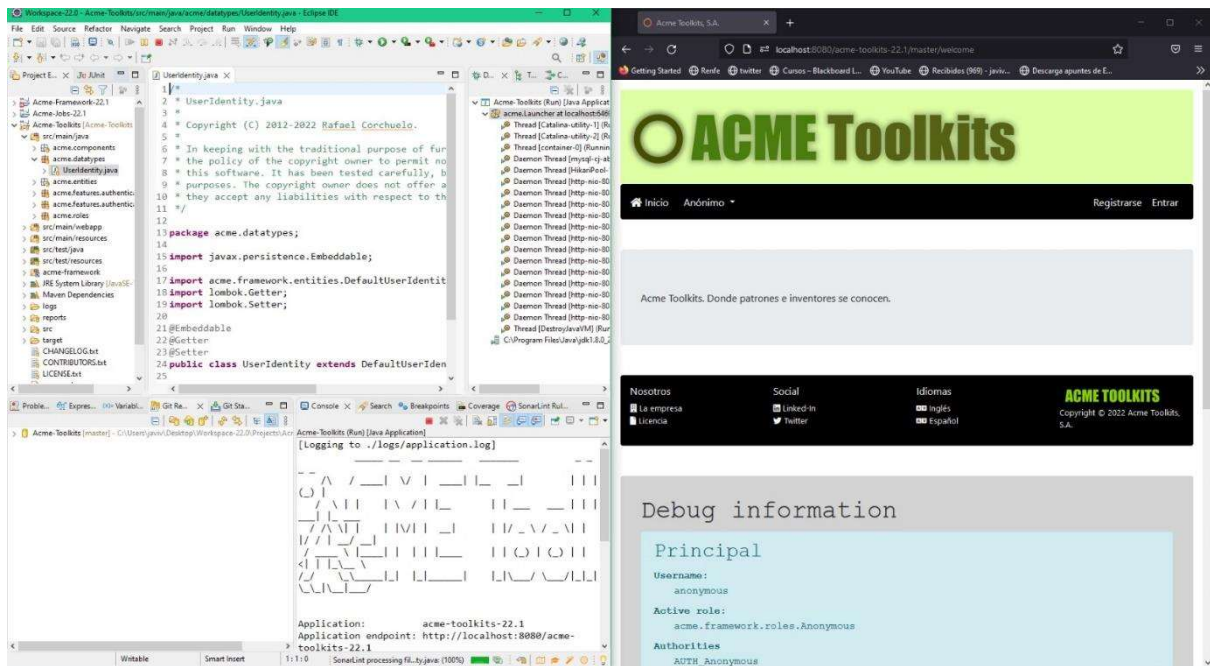

Figure 3. Francisco Javier Vázquez Monge's environment

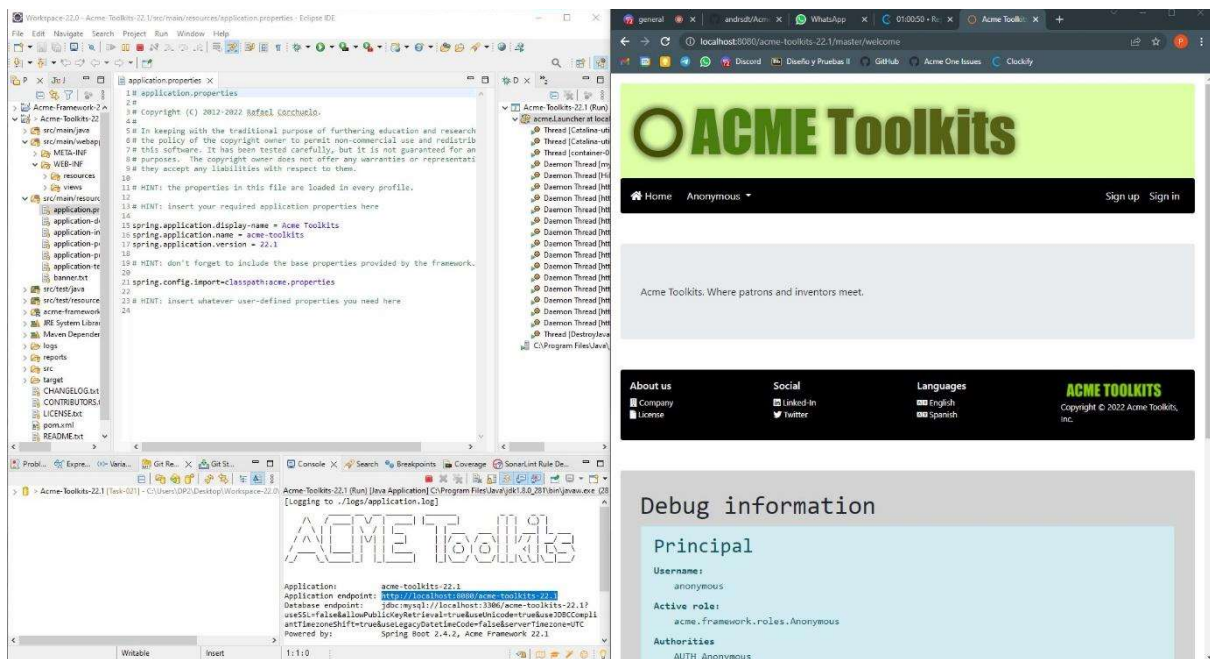

Figure 4. Pablo Núñez Moreno's environment

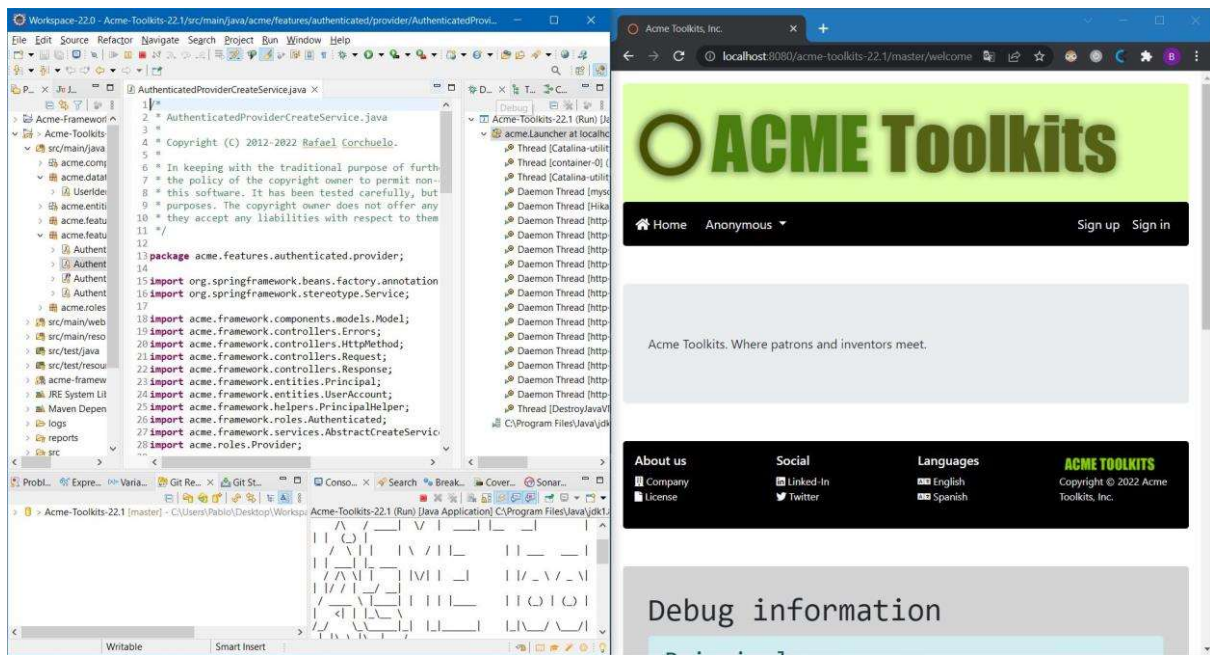

Figure 5. Pablo Delfin López Benítez's environment

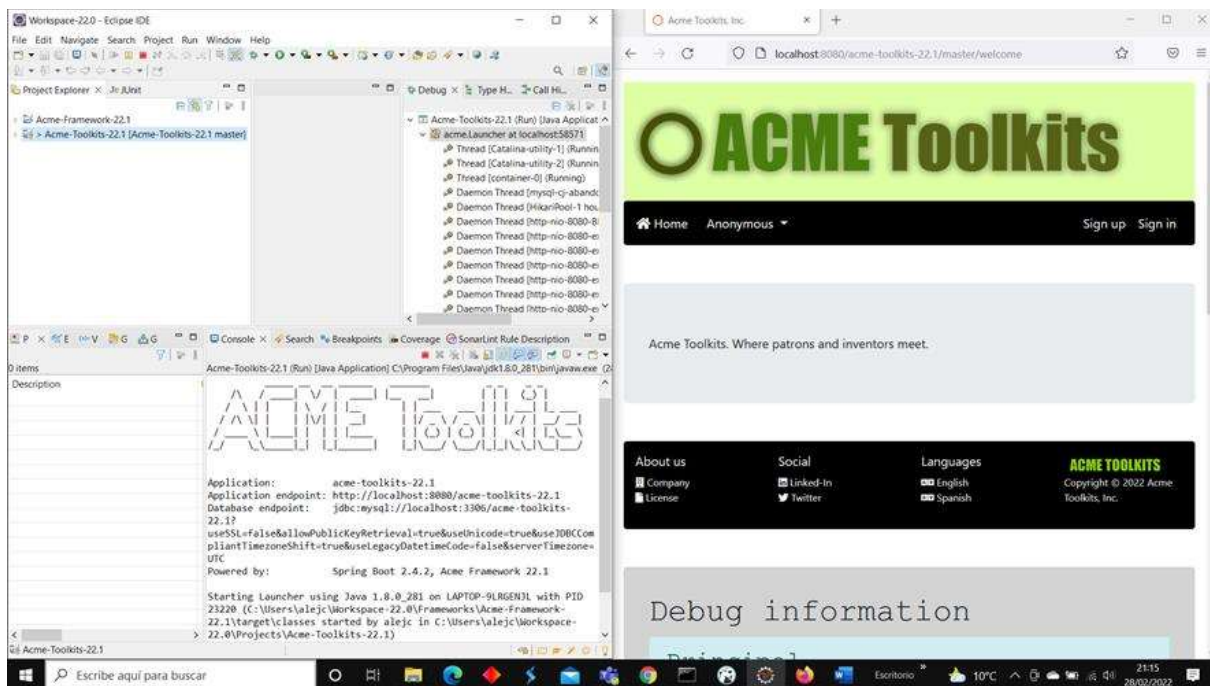

Figure 6. Alejandro Carrasco Núñez's environment

## Conclusions

In conclusion, the workgroup has been able to successfully set up the appropriate environment for working on the Acme Toolkits project by following the guidelines.

## Bibliography

Intentionally blank.
